

ANS Portrait Photography Agreement for Woodend Sanctuary

All portrait photography, including commercial, non-commercial and group photography, require a prior approval to accommodate the high demand for portrait photo sessions and to avoid conflicts with other scheduled events at Woodend Sanctuary. This does not apply to nature photography for personal use by individuals or to the couple and their guests during their contracted wedding and other rental events.

Previously scheduled events will take priority for use of certain locations which typically include the gazebo, portico, wedding grove, and grounds around the mansion unless the photo session has been previously arranged.

Photographers should note that the public is not excluded from the property during photo sessions which may create artistic conflicts, interfere with, and/or delay the photo session. We place priority on the enjoyment and safety of all visitors to our nature sanctuary.

Photography Rules and Regulations:

1. Use of the property for personal photo sessions must be approved for each session. A yearly fee option is available if many sessions are anticipated, such as with commercial photographers.
2. Photo sessions, limited to 10 participants including the photographer, on the grounds can be booked at \$50 per one hour session for the first hour and each additional ½ hour for \$25.
3. Photo sessions in the living room of the mansion can be booked at \$150 per one hour session for the first hour and each additional ½ hour for \$75. Photo sessions conducted inside the mansion may require a site manager to unlock the doors for entry and lockup afterwards.
4. Photo sessions beyond ten participants can be booked at \$350 per hour.
5. All applications and payments must be made and approved at least seven days in advance of the scheduled date. Occasionally we can make exceptions.
6. If the session is approved, a badge will be issued to the photographer. The badge must be displayed during the photo session and can be obtained from the Manager of Rental Events, weekdays during business hours.
7. The photo session must not interfere with other visitor's enjoyment of the property or their safety.
